In addition, they sent him a new set of lyrics appropriate to the occasion.

Betty Hopkins is valedictorian of this year's class and Nancy Horbacher the salutatorian.

Paul Moses and Don Townsend are the class speakers.

Dr. Luther Wesley Smith, executive secretary of the Board of Education and Publications of the Northern Baptist Convention, spoke at baccalaureate services Sunday in the Senior High School auditorium.

The Ivy Day program was held with Don Townsend acting as chairman. Helen Ovale gave the Ivy oration and Student Council awards were made by Mary Harris. Everett E. Burlingame, School Board president, made the address.

Town Talk

By ANNE B. MCLELLAN

Only a month now till Fourth of July and Narberth's famous festival which annually brings hundreds of our neighbors flocking to the Borough on this important national holiday.

This year John J. Cabrey, who has always headed the July 4th program so capably and successfully, and was prime mover in developing the elaborate celebration which has become a Borough institution—has been ordered to "take it easy" by his doctor after spending several weeks in Presbyterian Hospital.

However, he will serve as honorary chairman of the fireworks committee for the 1947 celebration, and those who are pinch-hitting for him will be able to depend upon him for invaluable advice and guidance.

The July 4th committee will also be missing the splendid organizational abilities of Mrs. Eberhardt Mueller, who for the past six years has been chairman of the women's groups and daytime activities. Mrs. Mueller has been ill and will be unable to participate in the festivities. On June 14, she and Mr. Mueller and her sister, Miss Flora Kurzenknebe, will go to Cape May for the summer.

Remember Oscar, pet sea lion of Penn Valley's John H. Slater family, who caused such a rumpus in the wee morning hours one day last June? He's the one a bus driver found slithering or waddling or whatever it is that seals do...down a Gladwyne Rd. at 3 o'clock in the morning.

We were wondering whatever had become of him 'tother day we called Mrs. Slater...seems Oscar has just gone through a spring house cleaning seige...his pond and home...he inherited a dog house from a former pet...have been freshly painted a bright aqua shade.

Mrs. Slater told us that when they first acquired Oscar they had no idea he was such a drawing power, and that the novelty of a sea lion had not yet palled, even after more than a year.

That's a good looking diamond that Narberth's H. Calvin Fritsch, Jr., gave to Mrs. Harold Weiland's pretty daughter, Ruth Forsythe, last week. Ruth has been working in the junior department of the Narberth Presbyterian Church for some time now...she lives at 121 Linwood Ave., Ardmore.

The Lawrence Havlicek's, of 8 Sabine Ave., Narberth, have guests from Scotland this week...Mrs. Havlicek's sister and brother, Miss Margaret Forrest and Mr. Simon Forrest, are here from Ardrossan, Scotland.

Glad to hear that Mr. and Mrs. Frank Stiefel, of 305 Woodside Ave., (Continued on Page Six)

Lions Discuss Convention Plans

Six Delegates Are Selected By Club Members

Plans for the State Convention, in Harrisburg on Friday and Saturday, were made when the Bala-Cynwyd Lions Club held its dinner meeting Tuesday evening, at the Cynwyd Club.

Named as delegates to the two-day convention were Joseph Andrews, incoming president; Chris Kirsch, Joseph Dolan, 3d, William Kaseman, Emmanuel Flick and Hugh O'Neil.

The state convention will plan among other things for the forthcoming National Convention, to be held in San Francisco. Mr. and Mrs. Andrews plan to drive to the West Coast in time to attend the National, it was announced.

The group also discussed its newly-organized baseball club. The first game was played two weeks ago, with the employees of the Chrysler-Plymouth Company. The next game will be played Friday, with the Junior Board of Commerce, at Belmont Field.

Yincent White is serving as coach for the Lions Club team.

REV. SENFT HAS SERVED 20 YEARS AT CHURCH; PRESENTED WITH RADIO

Sunday, June 1, marked exactly 20 years since the Rev. Cletus A. Senft came to Holy Trinity Lutheran Church in Narberth, his first call on leaving Gettysburg Seminary. A vicennial anniversary service was held to commemorate the occasion.

A special church bulletin containing Rev. Senft's picture and a brief resume of his 20 years here with a tribute to the Rev. and Mrs. Senft and their children was a surprise to the Senft family.

At the close of the service the congregation, represented by Joseph Trippian, presented Rev. Senft with a radio in appreciation of his loyalty and service.

\$1000 Offered By County for Arrest Of Attack Slayer

Five-Year-Old Girl Was
Picked Up By Black
Sedan On May 10

A \$1,000.00 reward for information leading to the arrest and conviction of the brutal slayer of Carol Ann Thompson, Upper Gwynedd youngster who was abducted from her home and murdered more than two weeks ago, has been offered by Montgomery County Commissioners.

Devison to offer the reward was disclosed by Commissioners Foster C. Hillegass, Fred C. Peters and Raymond K. Mensch after a conference with Sgt. E. K. Pote, of Collegeville Barracks, who is directing the search.

In an effort to obtain further information in the rape-slaying of the five-year-old girl, who was taken for a ride by a stranger while playing near her home, at Garfield and Supplee Rds., State Police once again are making an appeal to all motorists who traveled in that area to contact them.

A map being published by State Police of Collegeville, gives the general areas which the killer probably traveled during the execution of his crime. Locations of the child's home, where she was picked up, the location of the attack and the well in which the body was placed are shown.

Sgt. Pote asks that anyone who traveled on any of these roads shown on the map, between 3 and 7 P. M. on the afternoon of Saturday, May 10, contact him at the barracks immediately. The phone number is Collegeville 4411.

Declaring that "someone must have passed the car during the time the man traveled on the little-used roads in that section of the country," Sgt. Pote said it is likely those motorists who did see the car, described as a "black, shiny Buick sedan," of either 1937, 1938, or 1939 make, did not think of it at the time, but may have some information which they could pass on. "Police have been following" all leads furnished by the public for the last two weeks and even have brought in a State Police detective from Lancaster in an attempt to track down the killer, whose deed was probably the worst ever recorded in the County.

Thugs Flee As Merion Chases

Merion was thrown into an uproar Sunday night when two youths, surprised in their attempt to steal a car, fled on foot amid revolver shots, a flying tackle, and the pursuit of police and a score of local residents.

Layton M. Schoch, a guest at the home of his sister, Mrs. Louise McGraw, 420 Merion place, heard someone trying to start his parked car, at about 10 P. M. Running outside, Schoch saw the boys climb out of the car, and shouted an alarm.

In less than no time a handful of neighbors joined in the chase. Albert J. Deisinger, across whose property at 322 Calvert Rd. the thugs were running, seized a revolver and fired six shots.

One of the pursuing residents, Herbert D. Van Seiver, 417 Merion place, got close enough to the fleeing pair to attempt a flying tackle, but was kicked away.

The pair disappeared among the shrubbery of a neighboring property, while the chase continued. Eventually, seven squad cars of Lower Merion Township police took part in the unsuccessful search.

Peace Lies In Understanding Of Nations, Says Gen. Arnold At Lower Merion Memorial Day

Our national security lies in a complete and thorough understanding of the characteristics, national and personal, of any would be world conquering nation, General Henry H. Arnold, told thousands of persons assembled for the first annual All-Lower Merion Memorial Day observance on Pennypacker Field, Ardmore, last Friday morning.

He spoke following a street parade in which police, firemen, veterans, school children and detachments from the U. S. Army and U. S. Navy took part.

The program on Pennypacker Field opened with the formation of colors and units followed by the introduction of the Ninth District American Legion Commander, Elmer R. Leddon, by Frank Challenger, Cynwyd, deputy commander. Decoration of a symbolic grave was made by Col. Earle G. Hepburn, post commander of the Merion Legion post.

A surprise War Department citation was given to Colonel Horace Shelmire, of Downtonville, by General Arnold.

Help World To Avert New War

Is Advice Of Shotts
To B-C and Narberth
Rotary Club

Dr. Carl Shotts, of the American Friends Service Committee, told members of the Bala-Cynwyd-Narberth Rotary Club on Tuesday that the more help the United States gives Europe, the less chance there is of another world war.

Discussing the deplorable conditions of the German nation today, Dr. Shotts declared that the death rate is four times as high as the birth rate in many communities. The German people are capable at present of meeting only 20 per cent of their needs, with 80 per cent having to be imported.

The American Friends Service Committee was the first to arrive in Germany with help for the starving and bewildered populace. The doctor described their amazement at being offered help, and made a strong plea for further aid to restore sanity and peace to this troubled land.

Dr. Shotts, who has just returned after 13 months in Germany, was introduced by Richard McFeely, headmaster of Friends Central School and chairman of the Rotary International Service Committee.

Richard Giles presided at the luncheon meeting in the Overbrook Golf Club. There were thirteen visitors from nearby clubs at the luncheon.

Wallace Smiles of Cynwyd will succeed Giles as president on July 1. Taking office with him will be John A. Miller, vice president; Frank Humes, secretary, and Hervey C. Keim, treasurer.

Speaker Explains U. N. Structure

The Ardmore Optimist Club heard the structure of the United Nations organization compared to the government of the United States, at its meeting Tuesday afternoon in the Llanerch Country Club.

Morton Eugene Weldy, a member of the Philadelphia organization of U. N. described first the three branches of the United States government executive, legislative and judicial, then compared them with the six branches of the United Nations.

The first, and most familiar to readers of American newspapers, he said, was the General Assembly. A world forum where any policy regarding any nation may be discussed, this has proved the battleground for conflicting ideologies, and the place where the small nations have taken the opportunity to discuss the new world we are in the process of building.

The second branch is the Security of the five major powers, and having as its purpose the promotion of the peace of nations. The third is the Secretariat, concerned with the technical and routine operation of the entire structure of U. N.

The fourth is the Trusteeship Council, having jurisdiction over the mandates and the conquered nations of World War II. The fifth branch, the Economic and Social Council, has jurisdiction over the day-by-day life, the social, civic and economic problems of the member nations.

The sixth is the International Court of Justice, to which the right of appeal is given all member nations.

Baron Von Trapp Choir Head Dies

Baron Georg Von Trapp, Austrian naval hero who once lived in Merion, died May 30 at his farm near Stowe, Vt. He was 67.

The Baron, who commanded a submarine in the first world war, came to America in 1938 with his wife, nine children and their conductor, Dr. Franz Wanner, a Catholic priest, to escape the Nazis.

Through the efforts of Henry S. Drinker, of Merion a music authority in Philadelphia, the immigrants found temporary quarters in Germantown, and later moved to 252 Merion Rd., Merion. A son Johannes, was born while the family lived here. In 1943 they moved to a 600-acre farm in Vermont, where they conducted a summer music camp.

The Trapp family choir was an informal one until Metropolitan Opera star Lotta Lehman heard it, and persuaded them to sing in the Salzburg festival. After the Nazi annexation of Austria, the Baron and his oldest son, Dr. Rupert von Trapp, declined government posts under the Germans, and led the family out of the country by way of a Swedish concert tour.

The troupe, which has given 750 concerts in this country, was best known for its renditions of 16th and 17th century madrigals. Several of the Trapp family choir's appearances were in Philadelphia.

Climax Of Traditional Fete Will Be Gigantic Fireworks Display During The Evening

Local NACA Outing To Be Held June 10

David P. Fry, Jr., 225 Price Ave., Narberth, secretary of the Philadelphia chapter, National Association of Cost Accountants, announced this week that his organization will hold its annual outing on Tuesday afternoon, June 10, at the Cedarbrook Country Club.

Spring Outing Of Sportsmen's Club

Will Be First Annual
Picnic Held Since
Pre-War Days

The Lower Merion Rod and Gun Club will hold its annual Spring outing on Saturday, at the Chamberlin Farm last Saturday, in Penn Valley. In case of rain the outing will be held on Sunday.

The first picnic held by the group since pre-war days, the affair will feature trap shooting and casting with fishing tackle. Prizes will be awarded to beginners as well as to expert gunners and casters. There will also be prizes for women and children and a buffet supper will be served.

In the Club's monthly trap shoot at Chamberlin Farm last Saturday, F. A. Frick, of Wynnewood was leading man, with a perfect score of 25 hits out of a possible 25x's. Joel Rubincik, of Narberth, was second with 22x's.

The group held its first boat fishing trip of the season on Sunday, at Tuckerton, N. J. when Charles Young of Narberth won the prize for catching the largest fish of the day, a three-and-a-half pound weakfish.

Two boatloads of Main Line men and women went on the trip. They plan a similar outing in the near future.

In the tenth annual tournament of the Middle Atlantic Association of Casting Clubs, Sunday at Willow Grove Park, plug, fly and surf casters of the Lower Merion Rod and Gun Club competed with members of other sportsmen's organizations from Pennsylvania, New Jersey, Maryland Delaware and Virginia. A picnic on the Park grounds followed.

Races and contests, divided into six groups for both boys and girls, have been planned by Chain, assisted by Charles Thaw, and prizes will be given to first, second and third place winners in each of the 12 groups.

In addition, there will be the always popular baby show and pet show, and the antiques, hobbies and garden exhibits.

NARBERTH PLAYERS TO MEET TUESDAY

A one-act play will be presented and a number of important issues will be decided at the Narberth Players' last meeting of the season at 8:15 P. M. Tuesday. The meeting will be held in the Narberth Public School auditorium.

Up for discussion will be the membership fee, nomination and election of three directors, the possibility of changing the name of the Players, and plans for a picnic to be held later in June.

Funds Will Be Raised Through Donations Of Residents

Plans for Narberth's annual July 4th celebration went into high gear this week, under the general chairmanship of Borough Councilman William P. Davies.

Davies was appointed by Burgess Richard L. Miller to serve in the absence of John J. Cabrey, whose recent illness will prevent his active participation in the 1947 observance.

The program for the traditional community party will include all the favorite events of previous years, plus some innovations.

As usual, the climax of the all-day affair will be a gigantic fireworks show during the evening.

Sterling Chain has been appointed by Davies as chairman of the Narberth July committee and William S. (Doc) Howard as chairman of the fireworks committee. John J. Cabrey will serve as honorary chairman of the latter committee.

Funds to finance the fireworks display will be raised, as in previous years, through contributions from the residents and merchants of Narberth.

Carl B. Metzger, Jr., is again treasurer of the fireworks committee, and contributions may be mailed or handed to him at the National Bank of Narberth.

Checks should be made payable to the "Fourth of July Celebration Fund." The committee has expressed the hope that \$2 will be adopted as the average household donation.

Under Chain's direction, the daytime program will be conducted by a Women's Committee, as usual. Since Mrs. Eberhardt Mueller cannot participate in this year's observance, a chairman for the committee must be chosen. Her name will be announced next week.

Chain said that all organizations of the community, the churches and many individuals have pledged their co-operation in making the day's program of interest to those of all ages. The program is scheduled to start at 9:50 A. M. and last until 6 P. M.

Races and contests, divided into six groups for both boys and girls, have been planned by Chain, assisted by Charles Thaw, and prizes will be given to first, second and third place winners in each of the 12 groups.

In addition, there will be the always popular baby show and pet show, and the antiques, hobbies and garden exhibits.

Costs of the daytime program—prizes for contest winners and other expenses—are covered by the Women's Committee through its sales of refreshments and other articles.

CHOOSING A CAREER

A Beauty Culture Course

By ELDA WIELEBA

Director Karlton School of Beauty Culture

Choosing a career is a task that requires much thought. There are many angles to consider—and one of the most important is the demand for that particular type of service or commodity.

With intensive advertising stressing the importance of glamor and good grooming, American women are becoming increasingly cognizant of the necessity for being attractive at all times.

The next important angle to consider is your adaptability for whatever business you choose. A beauty operator must be alert, efficient, neat and pleasant.

Day by day, milady is becoming

even more beauty conscious and beauty-minded. The increased regard for a high standard of personal appearance is responsible for new beauty trends which can be supplied and cultivated by expert beauticians, thoroughly trained in modern beauty culture.

We have gone far, far forward from the old days when the services of a beautician were considered a luxury, to be employed only upon special occasions. Today, as everyone knows, the average woman considers her weekly visit to the beauty shop an absolute necessity—which indeed it is, for appearance never meant so much.

Beauty-minded women are beginning to demand a higher type of service. Proficiency is being sought as never before. If you are

ELDA WIELEBA

a better trained beautician, you can confidently look forward to a steadily increasing demand for your services.

Beauty culture is afield everwidening, and increasingly rich in opportunity. As a future means to financial independence and security, beauty culture offers unlimited opportunities.

Stop Groaning About 'Bully' and Meet Russian Threat, Says Judge

Labeling Russia an international bully Judge E. Leroy van Roden, of Delaware County Court, called on the living veterans of World War 2 to meet the challenge with firmness and fairness and by affirmative strength to keep the country strong.

Judge van Roden, president judge of Orphans' Court, spoke at the dedication of a War Memorial plaque Saturday afternoon, May 24, in Penfield.

"This memorial which we dedicate today," declared Judge van Roden, "will be an everlasting symbol of our esteem, respect and gratitude to the heroes of World War 2 and an ever-present reminder of our present and future duty to carry on the work of keeping our country strong."

Referring to Russia, Judge van Roden said:

"When the United States turned the tide of war to victory, Russia assumed to herself an importance not only undeserved but in every way unwarranted—the behavior of a bully."

"Our Government, following the principles of idealism, charity and democracy, somehow failed to recognize the character of this national bully. We have treated Russia as an equal, and the natural re-

sults of such a mistake have followed. This nation which we have befriended to an unprecedented degree, acting true to form, demands more and more, and offers to contribute nothing.

"This national bully has prevented any progress in settling the affairs of Europe including the preparation of peace treaties, and has the effrontery to attempt to infiltrate through to our own land with her so-called ideology.

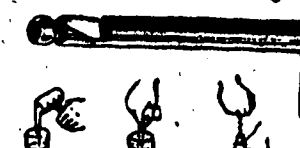

"We must demonstrate to ourselves and to the other nations of the world that the toughness and the hardihood of our race remains. We must do more than croon second-hand vitiated statements about being somebody's baby. We must sing songs that arise out of our own personal and racial experience. The task is for the living veterans of World War II in whose honor this memorial is also dedicated today. We shall treat a national bully

with firmness as well as with fairness and by our own affirmative strength we will win the peace."

Ardmore Loses 2 Games To Gladwyne and Norristown

By HARRY ELLSWORTH

After a week-end of furious baseball activity, Narberth and Berwyn remained atop their respective Eastern and Western Divisions of the Main Line League, although previous unbeaten record had gone by the boards.

Berwyn handed Narberth its first defeat with an 8-3 victory on Saturday. Ted Dawson stopped the Davismen with three hits, while his mates were earning 13 blows off left-hander Albie Becker.

One day later, Drexel Hill, in the depths of a two-game losing skid, rocked the Upper Main Liners, 5-0, as Gene Conway, former hurler with Wilkes-Barre, of the Eastern League, pitched six-hit ball.

Narberth, however, scored two week-end victories. The borough nine walloped Manoa, 12-6, as George Davidson chalked up his third straight pitching win on Memorial Day and trounced Norristown, 16-4, as Bob Tabor batted in seven runs to pace a 20-hit attack.

Berwyn routed Collegeville, 10-0, on Friday. Despite the loss to Narberth, Berwyn remains two games ahead of Wayne in the Western Division.

West Manayunk split four games over the holidays. The Yunkers routed Drexel Hill, 11-7, on Friday afternoon, after dropping a 3-5 decision to Manoa in the morning. On Saturday the Firemen capitalized on six Wayne errors to top the Italian-Americans, 12-8. Despite home runs by Junior Maiden and Pat Ellis, West Manayunk dropped a 9-7 decision to West Chester on Sunday.

Ardmore lost, 3-2 and 9-8 games to Gladwyne and Norristown, and then rallied behind Pitcher Earl Tyson to stop Collegeville, 5-3. Joe Schwanda and Sal Salvatore each collected four hits as the Lions successfully to a two-run Norristown rally. Dick Tyson, Norristown hurler, was credited with the win.

Squeezed around Wayne's loss to West Manayunk were two victories. I.A.C. blanked West Chester, 5-0, on Friday and, with Walk Weaver on the mound, drubbed Gladwyne, proud possessor of a two-game winning streak, 16-4. Yaron, Hollis and Bell belted out three hits apiece for the winners.

This week-end's card finds Narberth playing at West Chester on Saturday and playing host to Wayne on Sunday. Berwyn, the other division kingpin, plays Gladwyne at Berwyn on Saturday and travels to Drexel Hill on Sunday.

Also listed for Saturday are Ardmore at West Manayunk, Narberth at West Chester, Manoa at Norristown, and Drexel Hill at Collegeville.

The remainder of Sunday's schedule finds Norristown at West Manayunk, Collegeville at Gladwyne, West Chester at Drexel Hill.

Nick DeFrank, no-hit hurler from West Chester Teachers, made his mound debut for Manoa on Saturday.

urday and blanked Collegeville with three hits, 2-0. Gill Gekoski, a West Chester grad, batted in the only runs with a ninth-inning double.

Charlie Gunther and Frank Perutti were obtained by Manager Gene Davis from Drexel Hill. Both right-handed hurlers, their addition is expected to take some of the weight off the shoulders of George Davidson, ace Narberth hurler.

Gunther gave Norristown only six hits as he stopped the County Seaters, 16-4, in his first start.

Joe Adelizi, Narberth first baseman, has stamped himself as the man to watch for Rookie-of-the-Year honors. The ex-St. Margaret's has been hitting and fielding sensationally for the defending champs.

Among the candidates for posts in the Class of 1950 elections at Villanova are Al Velling and Tom Clavin, varsity gridgers and George Thompson, distance runner.

Local Nines Play To Montdel Ties

After dropping a pair of opening games the St. Philomena nine, of Lansdowne, found the range against two Montdel League foes during the past week. On Monday night, the Saints handed the St. Lucy nine, of West Manayunk, a 9-0 shellacking, then followed this with a 5-3 decision over St. Lawrence, of Highland Park, on the losers' Drexel Hill field on Wednesday.

Elkay, in the line, the entire race tightened up as the two unbeaten leaders were given bad scares by second division clubs. The St. Lucy nine, which had won only a single game to date, fought the title-defending St. Margaret's nine, of Narberth, to a 3-3 stalemate on Wednesday. The night previous St. Colman's and Good Counsel fought a 2-2 draw at Bryn Mawr. They got together again Thursday in a replay and were locked at 1-1 before rain washed the game out of the record books.

St. Margaret's and Good Counsel were able to add to their respective leads. St. Margaret's handed St. Thomas a 7-1 jolt Tuesday, while Good Counsel edged out St. Lawrence by a 4-1 count Monday night at Drexel Hill.

Haverford High Baseballers Hard Hit By Graduation

Haverford High baseballers, who finished third in the Suburban Section One race this season, will be hard hit by graduation, but Coach Albie Cornog still will have a fair nucleus for the '48 campaign.

Among the seniors slated to go are Skippy Mac, catcher; Hubert Smith, ace pitcher; Dick (Snake) Spencer, third base; Don Higgins and Walt Haigh, outfield; Bill Cordes, shortstop; Joe Sweeney and Tom (Francisco), pitchers.

However, Bud Arnold will be available either at catcher or first base and two youngsters fresh from the junior high, Tom Jones and Jack Lansen, will be ready to pitch.

Other holdovers are Jim Hazel, second base; Paul Prende, shortstop; Howard Pyott, football captain-elect who played third base, and Vince Glacomuel, Don Griffith and Harold Butler in the outfield.

Haverford won seven of twelve league games, although Mulr and Griffith were the only letter winners at the outset of the season. The Fords lost seven games by the mere margin of one run, defeating Upper Merion, Radnor and Norristown twice each.

L. Merion High Will Lose Four Baseball Stars

Four Lower Merion High baseball lettermen will be unavailable when Coach Gendell Reeves calls the Ardmore Aces together again next season. All will be lost by graduation this month.

The quartet comprises Capt. Down Townsend, outfielder, who sometimes took his turn on the mound; Ted Hoffman, second base; Ed Strobach, third base, and Sam Milliken, outfield.

Among the returnees, however, will be Len Shepherd, catcher, and captain-elect, who also will lead the football team this fall. Bill Lutz, ineligible all this season; Sam Gianopoulos, Al Kirk and Bob Walter will be back as pitchers.

Jim Haslam will return at first base, with Bob DiMarco at shortstop and Art Kohler as a possibility at third base. Connie Mack, 3d, grandson of Philadelphia Athletics' manager, is the only experienced outfield returnee, although Nick Cappelli, a utility man, may soon the outer gardens next season.

Lower Merion finished second to unbeaten Abington in the Suburban Section One chase, winning eight of 12 league games. In all, Gen Reeves' charges won 10 of 19 games after losing six of their first seven starts. In the league they lost three of their first four, then came on with a rush and registered seven victories in their last eight attempts.

LOWER MERION CASTERS TO COMPLETE JUNE 17

Many members of the Lower Merion Rod and Gun Club will compete in the MAACC's casting tournament on the Delaware County grounds June 17, beginning at 7:30 P. M., according to Ellen A. Dietrich, association secretary.

The MAACC held its 10th annual tournament at Willow Grove Park on Sunday, with entries in all events open from 10 A. M. to 2 P. M. among the events staged were fly accuracy and distance, % accuracy, % accuracy and distance and -vult casting competition.

Jim Elliott, Villanova track coach, expects to compete in several golf tournaments this summer. He is an outstanding golfer.

Strawberry is America's Favorite Jam

If all the berries in the world were gathered together for a jam-making contest — strawberries would win! Yes, rich, red strawberries have a winning appeal that makes them America's favorite for jam. And it's no wonder — strawberry jam has a flavor and texture yet to be equalled in any other berry. But remember — strawberries, beautiful as they are, are particularly low in natural pectin content. And pectin, as you know, is the substance present in fruit that makes jellies jell and jams jam. But please don't hesitate to make strawberry jam on this account.

Homemakers remember, the addition of a natural fruit pectin, either powdered or bottled, insures a successful jam every time. It supplies the right amount of pectin in just the exact proportion to make up for the deficiency in the ripe fruit and, it safeguards the characteristically rich flavor of the berries. Yes, all the delicious flavor of the glamour berry is locked in every sealed jar ready for a taste treat on morning toast and all through the day.

STRAWBERRY JAM
4 cups prepared fruit
2 cups sugar
1/2 bottle fruit pectin

To prepare the fruit. Crush thoroughly about 2 quarts fully ripe strawberries. Measure 4 cups into a large saucepan.

To make the jam. Add sugar to fruit in saucepan and mix well. Place over high heat, bring to a full rolling boil, and boil hard 1 minute, stirring constantly. Remove from heat and stir in bottled fruit pectin. Then stir and skim by turns for 5 minutes to cool slightly, to prevent floating fruit. Pour quickly into glasses. Paraffin at once. Makes about 10 six ounce glasses.

STRAWBERRY JELLY

2 cups sugar
2 boxes powdered fruit pectin

Let's Read . . .

"Aurora Dawn," by Herman Wouk. (Simon & Schuster, \$2.75.) The reviewer or, rather, the critic, must maintain the standards of the trade by preserving his integrity. You can't, for example, review a book unless you read it. Half way through "Aurora Dawn" my integrity was on pretty thin ice.

The ice held, and on Page 230 integrity received its reward: Here Mr. Wouk begins a sentence, "This work needs every shred of praise it can earn," etc.

I agree, and any I give it will certainly be shreds. In case you don't know it already, "Aurora Dawn" is the name of a soap. That ought to spill the beans — it's another book about the radio aspects of the advertising business, full of unlikely if now and then interesting characters. Two other similar books occur to memory — "The Hucksters" and "Please Send Me Absolutely Free" (the latter so bad that, as far as I know, they aren't even making it into a movie). If you liked those two you may like "Aurora Dawn," but, I thought, Mr. Wouk's style makes the reading about as easy as an advanced problem in differential calculus.

The story concerns a bright young advertising man, Andrew Reale, whose compulsion is to "become very rich very quickly," and who finally discovers that money isn't everything. To tell this tale, Mr. Wouk has used a plot which could have been made into a very engaging and funny story (it's too far from reality to be serious). Father Stanfield, the hillbilly evangelist, and Mike Wilde, the extroverted artist, come close to being honest and amusing. But the hero struck me as being a dope, the heroine a little dumb, and, alas, the incompetent and irascible soap tycoon, Taimadge Marquis, misses the boat completely: Evan Llewellyn Evans of "The Hucksters" was a thousand times more picturesque. There are other people involved in some complicated and often naively fortuitous evolutions of plot.

What I haven't figured out — so far anyway, is whether Mr. Wouk was trying to tell a story or trying to demonstrate how well he can write. There were times when I decided he wasn't managing to do either one, and times when I felt he could do both if he'd just make up his mind. Really good writing gives you the impression that its accomplishment is the easiest thing in the world, and on many a page of "Aurora Dawn" I found myself expecting to see drops of the author's sweat, or pictured him as having recently emerged from a college class in Philosophy, and unable to postpone putting his new knowledge to some use.

If you're interested in the fact that money isn't everything, by all means read "Aurora Dawn." A lot of books have said the same thing, and said it better than this one does, without making very many people believe it.

Penn Wynne Takes On Five Teams In Opener Of Main Line Cub-Scout Baseball League

After its grand opening Monday the Main Line Cub-Scout Baseball League gets underway today with its regular playing schedule.

Narberth Borough Burgess Richard Miller pitched the first ball on Monday to Gene Davis at the opening exercises on the Narberth Playground. Davis has donated a cup for the League winner and the League's batter with the highest average.

As 500 parents and friends watched 150 Cub-Scouts marched onto the field to open the season. Penn Wynne Cub Pack, 1946 League winner, played one inning against each of the other five packs in the league. The boys, all Cubs within the 9-12 age range, played a fine game.

Penn Wynne came through like a champion. Lead-off batter Dave Savage singled. Second batter, Dick Goldbeck, tripled. Third batter, Ronnie Greenlee, hit a solid home run which rolled clear out to the left field fence. He was subsequently awarded the special prize for the longest hit of the evening. Penn Wynne won, 9-0.

The game was featured by the winner's batting and pitching. Jimmy Faunce, son of Coach James G. Faunce, Jr., worked four innings, striking out nine and allowing no hits or runs. Paul McAlaine worked the final inning, likewise allowing no hits or runs for the All-League opponents.

For the All-League teams, outstanding performers were Allan Fitzgerald, Merion pitcher, and son of the Merion coach, who struck out

three in the one inning he worked. Fred Minehan, Penn Wynne pitcher, held the victors scoreless in his one inning of work.

The Narberth infield turned in the best single inning of defensive play with Barclay, Chain and Hoeschle each turning in good plays.

Organization work was done by Narberth Councilman Sterling Chain and Samuel K. Barclay, Main Line League umpire.

DAMAGES AWARDED IN TRUCK ACCIDENT

The Valley Forge Military Academy, in Wayne, this week found itself owing damages totalling \$14,394 because of an accident six months ago involving one of its employees.

A Montgomery county jury of three men and nine women awarded \$11,164 to Edward H. DaCosta, of Collegeville, for the death of his wife, and a further \$2250 for his own injuries. James Ambrose, also of Collegeville, was awarded \$1000. The accident occurred when a truck driven by Ernest Judd, an academy employee, drove through a stop sign on Trooper Rd., at Schrack's corner. The truck struck DaCosta's car, then careened into the Ambrose vehicle.

VETERAN RELEASED IN ATTACK CASE

Released in the custody of James Barnett, of the Veterans Administration, Kenneth E. Bistline, who struck a woman on the head "because I had to hit someone," was placed on three years' probation by a Montgomery County Court on Tuesday.

Bistline, who, on May 21, struck Mrs. Edna Lapent with a stone in West Manayunk after a session in local taprooms, was wounded, losing an eye and collecting a scalp full of shrapnel, in World War 2. He pleaded guilty to double charges of assault and battery and assault with intent to rob, and was ordered held for court by Magistrate Walter B. Lowmyer, Jr., after his arrest, here by Capt. William Shaffer and Sgt. James Smyth, of Lower Merion Township Police.

The Veterans Administration, appearing in his behalf, arranged for Bistline to appear twice weekly for treatments at a mental hygienic clinic, after the defendant promised Judge George C. Corson he would refrain from drinking. Barnett, chief of the Veterans' Bureau, with offices in Bryn Mawr, shares his custody with the Chief Probation Officer for the next three years.

MAIN LINERS ATTEND MOTHER CHURCH MEETING

Several Main Liners were among those who went to Boston Monday for the annual meeting of the First Church of Christ, Scientists.

They were Mrs. Lee Bekel, Wayne; Mrs. Anna MacPherson, Overbrook Hills; Mr. and Mrs. Wilmer Thornell, Overbrook; Mrs. Dorothy Colville, Overbrook; Mrs. Sarah Switzer, Overbrook; Mrs. Leila Lindsay, Cynwyd; Mrs. Florence Ludgate, Bryn Mawr; Mrs. Emily Emmons, Ardmore; Mrs. Grace Buck, Bryn Mawr; Mrs. Ruth Shaw, Narberth; Mrs. Jean Paul, Haverford; Mrs. Sarah Steward, Haverford.

Mrs. Helen Chaffee Elwell, newly elected president of the Mother Church, urged both pulpit and church to unite in a campaign of righteousness.

BOY, 14, BURNED BY "DUD" FIRECRACKER

A firecracker which "wouldn't explode" temporarily cost 14-year-old Joseph Dolan the sight of both eyes Saturday night.

Dolan, a fifth-grade pupil at the Wynnewood Rd. grammar school, purchased two three-inch firecrackers from another boy, with the 25 cents left over from a haircut. With Robert Meyers, 16, he went to the Ardmore yards of the Pennsylvania Railroad to set them off. The first exploded on the ground, but the fuse of the second sputtered and seemed to go out. He picked it up and blew on it, and it was within inches of his face when it went off.

Doctors at Bryn Mawr Hospital, where he was taken by Thomas Campbell, 17, a neighbor, said that Dolan would not lose the sight of either eye permanently, but that he had a narrow escape. He suffered first-degree burns of the face and both eyes.

ELECT BAKER PRESIDENT

Pew Family Gives \$1,300,000 for New Cancer Institute

Ground Broken Today On Site Of Jeanes Hospital In Fox Chase

Members of the Pew family will finance the construction of the building for the Institute of Cancer Research to be constructed on the site of the Jeanes Hospital in Fox Chase, Philadelphia.

Ground was broken today for the building which will cost \$1,300,000. Equipment will cost another \$300,000.

Members of the Pew family who are giving the money are J. Howard Jew, J. N. Pew, Jr., Miss Ethel Pew and Mrs. Mabel Pew Myrion. The main laboratory building which will have facilities for 100 research workers, is 272 feet long, 50 feet wide and embraces three stories and basement. An animal colony building which is detached from the laboratory building and connected on two levels by an open bridge, will house 20,000 experimental animals. Jeanes Hospital will co-operate with the Institute for Cancer Research in a technical capacity and has made available sufficient land under a 99-year lease with a rental of \$1 per year, for the Institute to build the present buildings as well as any planned expansion.

The program for research is broad and covers investigation in the field of growth and development both normal and cancerous. Various specialties are represented, such as organic chemistry, biochemistry, botany, genetics, physical chemistry, experimental embryology, cytology, physiology, pathology and protozoology.

Doctor Stanley P. Reimann, Director of the Institute, has been Director of The Lankenau Hospital Research Institute for 25 years and became Director of The Institute for Cancer Research when it was organized.

The Institute for Cancer Research, Inc., while a separate legal corporation, will continue to enjoy a merger with the staff of The Lankenau Hospital Research Institute. This group has been engaged in research in cancer and associated diseases for over 25 years.

Many of the officers of the Women's Auxiliary of The Lankenau Hospital Research Institute live on the Main Line and include:

Mrs. Alfred M. Gray, Wynnewood, president; Mrs. Edward L. Bortz, Wynnewood, assistant treasurer; Mrs. Philip E. Hughes, Wynnewood, publicity director; and Mrs. Harry R. Nelson, Rosemont, and Graham Wood, Wynnewood, both ex-officio members of the committee on research of the Auxiliary's board of trustees.

KNOW YOUR STATE

Laboratory Forward Step In Education

The conservation of Pennsylvania's natural resources may well prove to be the most important task to be faced by the people of our State during the next generation. Our water supply, coal, oil, iron, forests and soil have been the chief sources of the great industrial progress of this Commonwealth and have exercised a vital influence on the growth and the protection of our nation. In the past we have not always used these precious gifts of nature any too wisely and that fact is now demanding increasing attention by State and local authorities entrusted with the responsibility of safeguarding our future prosperity.

During the past two years, under the leadership of James H. Duff, now Governor of Pennsylvania, the Commonwealth has embarked on a far-reaching program of conservation. Such a program can only succeed if all of the people of the State understand both its need and its purposes.

The first Conservation Education Laboratory ever held in this State was conducted last summer at State College. In this laboratory course, two groups of teachers from the public schools of Pennsylvania were given the opportunity of observing in the field many of the problems concerned with maintaining or improving the State's water supply and its resources in minerals, soil and wildlife. Experts in all these fields conducted seminars on conservation and conservation education. Last summer's session was so successful that the various organizations and State agencies which supported and sponsored the course are providing funds and assistance for a continuation of the Conservation Laboratory in July and August of this year. These courses are designed to provide the teachers in the public schools with first-hand information in a field which is vitally important to the future welfare of all the young people in our State.

The Department of Public Instruction, Agriculture and Mines have joined with the State Fish and Game Commissioners, and the State Planning Board in supporting and developing the program of instruction which makes possible this forward step in teacher training.

The two sessions of 1947 will be held from June 30 to July 19, and from July 21 to August 7. Each will include courses with college credit on the teaching of the Conservation of Natural Resources as adapted to the need of elementary and secondary school pupils. They are open to the public school teachers of the State on the recommendation of their district superintendent.

Left-over baked potatoes can be made fresh as new-baked if they are dipped in hot water for a few seconds, then heated in a warm oven.

PHILADELPHIA MAN HELD FOR COURT

Found guilty of drunken driving, George Bond, 49, of Philadelphia, was held in \$500 bail for the next term of court, by Magistrate Walter S. Lowmes on Monday night.

Bond was arrested Saturday night after he lost control of the car he was driving, in Ardmore, knocked over a 25-foot light standard, chipped a stone wall, plowed up two lawns and struck an apartment house at 322 West Lancaster Ave. His son Raymond, 15, who was riding with him, was taken to Bryn Mawr Hospital but discharged without treatment.

Bond was arrested by Lower Merion Township police and pronounced intoxicated by Dr. Anthony C. Messmer, police surgeon. Bond testified he had worked hard all day, mowing lawns, and was tired. He admitted having "just a few glasses of beer."

SKY DEVILS TO MAKE MASS PARACHUTE JUMP

A mass parachute jump from a C-47 will feature the air show at Valley Forge Airport this Sunday. The jump will be made by a group of veterans of the 82nd Division of Paratroopers, known as Bobbie Ward and his Sky Devils.

Also on the program will be stunt flying by Captain Jesse Smith of the Army Air Corps, a helicopter demonstration by Bell Aircraft and a demonstration of how not to fly a piper cub.

The show is being sponsored by the Lower Providence Fire Company and the Parent Teachers' Association of Audubon.

ORDERS SHRYOCK TO PAY WIFE AND 2 CHILDREN \$75 A WEEK SUPPORT

J. Richard Shryock, 732 Brayburn Lane, Narberth, has been ordered to pay \$75 a week to his wife, Elizabeth Folwell Shryock and their two children, Jean, 10, and Richard, 6, by Judge William Dannenhorst of Montgomery County Court.

Shryock is owner of a radio and television shop at 1615 Walnut St., Philadelphia.

Mrs. Shryock and the two children are living with her sister, Mrs. Herbert Adam, Wister Lane, Wynnewood.

Custody of the children was awarded to the mother several weeks ago by Judge Dannenhorst after he heard testimony in a habeas corpus action. At that time Shryock charged that his wife was raising his son and daughter to believe in the doctrines of Theosophy instead of the teachings of Christianity.

All-Girl Orchestra To Be Featured at Music Festival June 13

A sixth orchestra has been added and a fourth stage is being erected in the Municipal Stadium for the Philadelphia Music Festival, June 13.

The orchestra, one of the most unusual musical units in the world, is Carle Kniesley's Philadelphia Piano Orchestra of 22 girl artists.

In 1910, Ludwig von Beethoven expressed the hope that someday his sonatas might be played with symphonic expression by an all-piano orchestra. Many famous artists attempted it, but it remained for the Australian-born pianist conductor Kniesley to achieve Beethoven's wish. His girl pianists are graduates of the nation's leading schools and conservatories, including Curtis Institute, Juillard, New England Conservatory and The Chicago Musical College.

Five other orchestras will also play at the festival sponsored by the Philadelphia Inquirer Charities, Inc. They are the 100-piece New York Philharmonic Symphony Orchestra, Fred Waring's 70 Pennsylvanians, the 85-piece U. S. Marine Corps Band, the 110-piece Washington Redskins' Band, and Norman Black's Orchestra.

ART CENTER LISTS ONE-WOMEN SHOW

The Bryn Mawr Art Center, Haverford and Polo Rds., Haverford, will present another one-woman show by Nancy Dunbar James on June 8 and 15, open to the public Monday, Tuesday, Thursday and Saturday of both weeks.

The artist is the wife of Dr. Reese D. James, director of the courses in Journalism, University of Pennsylvania.

BLONDE IS HELD FOR GRAND JURY ON CHARGE OF BURGLARY

Pretty, blonde Mrs. Helen King, 113 Ardmore Ave., Ardmore, was held without bail Monday night on a burglary charge, by Justice of the Peace Walter B. Lowmyer, Jr. Standing beside her husband, Bernard, 24-year-old tree surgeon, Mrs. King pleaded guilty to the accusation that she stole \$1000 worth of jewelry and cash from her neighbor, Miss Marian C. Dougherty, 112 Ardmore Ave. Two diamond rings valued at \$700, a woman's \$35 wrist watch and a gold pin shaped like a riding crop, valued at \$25, were among the items she admitted taking.

It was when Miss Dougherty saw Mrs. King, a soda fountain attendant, wearing this pin that she swore out a warrant for her arrest. Detective Joseph Kelly, testifying at the hearing Monday night, said that Mrs. King and her husband were picked up on Sunday, shortly after their return from a trip to California. About eight hundred dollars' worth of the jewelry was recovered.
